Wall Covering Request for Quote

Directions for using this form:

1. Please use this form for all types of wall covering required. (See selection of wall covering and colors available from WallGuard.com.)
2. Measure all areas that require wall covering and come up with a total square footage.
3. Determine how many top caps, joint covers, inside corners and outside corners you require.
4. Determine if you will require our adhesive. Mastic is easy to work with, allowing adjusting of the material and will bond in 35-40 minutes. 1 gallon will cover 125 sq. ft with one coat. Contact adhesive bonds immediately and covers 200 sq. ft. with 3 coats.
5. Finally, submit your request and we'll send back a quote ASAP!
